

K R U B

MIAM!

The school song

School, school,
Hurray, hurray!
It's back to school today

Today it's Maths
And geography
Tomorrow
It's art and history

We learn Music
And biology
My best friend
Sits next to me

School, school,
Hurray, hurray!
It's back to school today

We learn English
And German too
We learn French

We eat lunch
At the school canteen
Hamburgers, chips
And soggy green beans

School, school,
Hurray, hurray!
It's back to school today
